Referee Report

E. Herbert Brown. Esq. Hon. Secretary. Quebec Rugby Football Union

Dear Sir, Following please find my official report on the "match" between Ottawa College and Ottawa City, Saturday November 6th. Notwithstanding the fact that the captains of the respective teams received strict warning from me before commencing the match and again at half time, regarding rough and ungentlemantly play, it had no effect, as the match was the roughest possible character throughout. I am sorry to report that in accordance with clause 17 (QRFU Rules) I was compelled to rule off the following players, viz:-Ottawa City, Walters, Smellie, McCreadie and Pulford: Ottawa College, Smith, McCreadie and Sparrow and three other players whose names I did not ascertain. Walters of Ottawa City, not being satisfied with the ruling, so far forgot as to attempt to kick the writer and repeated the offence twice at the umpire, With this very serious exception, I must say that both the umpire and myself were treated with consideration by the players, but at the same time the bad blood between the two teams caused them to disregard all rules of the game with the utmost recklessness and persistency.

The game was called on account of darkness, there being six and a half minutes unexpired time, each team having secured eight points.

Yours truly, F.A. Crathern

Quebec Rugby Football Union Executive Meeting Wednesday November 10, 1897

Ottawa City representative Mr. Ed Seybold stated that Walters had been immediately suspended from the club, and would not again play with the City team. The club apoligised to the referee.

Eddie Gleeson stated that the rough work of the City team on Saturday was not done on the impulse of the moment, but was decided upon before the game commenced.

There were several comments regarding the rough work of the City team in all its game this season and the team was to win the championship at any cost.

Eddie James of Montreal FC moved that Walters be forever suspended from playing in any football contest under the rules of the Quebec Rugby Union, and that if the motion carried the secretaries of the other Canadian Unions be notified of the action. Mr. A.G.B. Claxton, second vice-president QRFU, seconded the motion. The motion was carried 7 to 2. He then moved the suspension of the Ottawa City Club, citings two games he saw that displayed exhibitions of brutality that was disgusting and he had been following the game for 28 years. The club had gone from bad to worst. Mr. Grace from McGill seconded the motion. Then, Mr. Seybold moved an amendment that the players mentioned be suspended but not the club. It was lost 7-2. "Moved, in view of rough play by members of the Ottawa Football Club during the season, that the club would be suspended for the rest of the season." It was explained to the Ottawa City delegates that only the team, not the club was suspended. Also, all games prior were declared null and void and a playoff schedule would be arranged with the other clubs.

Mr. Gleeson said that his team could hardly come to Montreal two Saturday in succession should they win the first game. But, on his suggestion it was decided that Ottawa College would playoff at Montreal Saturday Nov 13 and the winner plays McGill the following Saturday at Ottawa if the college teams wins, and at the Montreal AAA grounds if Montreal wins. It was decided to have the games start at 2:30 pm to avoid any darkness issues.
