ALS RE-SIGN RUNNING-BACK DIEDRICK

The Alouettes announced the re-signing of Canadian running-back Dahrran Diedrick yesterday. Diedrick was the team's sole remaining free agent. The 6-foot, 224-pounder joined Montreal in July 2006, following portions of two seasons with the Edmonton Eskimos. Last season, Diedrick was used primarily on special teams, contributing nine tackles. He also had 10 carries for 46 yards.
